Mrs. Mary J. Walker Of San Carlos Dies

SAN CARLOS, Mar. 25—Mrs. Mary J. Walker, 72, wife of William Walker, San Carlos rancher, died yesterday in a San Francisco hospital after a long illness. She had been a San Carlos resident for the past ten years, living at 646 Dartmouth Ave.

William I of England built 48 strong castles during his reign.

82 Motorists Get Citations

Setting up their fourth highway barricade in as many weekends, California Highway Patrolmen early Sunday stopped 1463 Bayshore Hwy. motorists in South San Francisco at Grand St. — and found not a single drunken driver.

Capt. E. F. Cassell said that only one man was found who had been drinking, but that he wasn't intoxicated, so wasn't arrested although his car was impounded and he was sent to his home in South San Francisco afoot.

Cited for having an overcrowded front seat were three autoists, while 42 were given warnings to have their lights adjusted and 37 were warned to correct miscellaneous mechanical defects, secure operator's licenses, or adjust other minor defects.

"I believe the publicity resulting from our traffic checks is really doing some good in bringing people to be more careful," Cassell said in explaining that the low percentage of arrests and warnings was exceptional.

He was assisted in the "raid" by four patrolmen and four South San Francisco officers.

Douglas Hyde, first president of Eire (Ireland), was once interim professor of modern languages at Rutgers University in New Jersey.

JOE AND ETHEL TURP CALL ON THE PRESIDENT

Last Rites Held For Mrs. Wales

ATHERTON, Mar. 25—Funeral services were held this morning at the Roller & Hapgood parlors in Palo Alto for Mrs. Mary Thornton Wales, mother of Mrs. J. B. Howell of Atherton. Mrs. Wales, who was 71, died after a short illness at 4 p.m. Saturday at the Howell home, where she had lived since the death 14 years ago of her husband, Maj. Philip G. Wales, retired U. S. Army physician.

Some time ago active in civic and charitable affairs in Menlo Park, where she had lived for 16 years preceding her husband's death, Mrs. Wales of late had lived quietly with her daughter and son-in-law. Before retiring to Menlo Park, Maior Wales had been stationed in the East.

Surviving relatives besides the daughter are a brother, W. D. Thornton, and five sisters, Mrs. Arthur Carson, San Francisco; Lucille Thornton, Mrs. Charles Theriot and Mrs. Adelaide Corbett, all of New York, and Mrs. Charles Huff of St. Joseph, Mo.

Whitaker Is Victor In Speech Contest

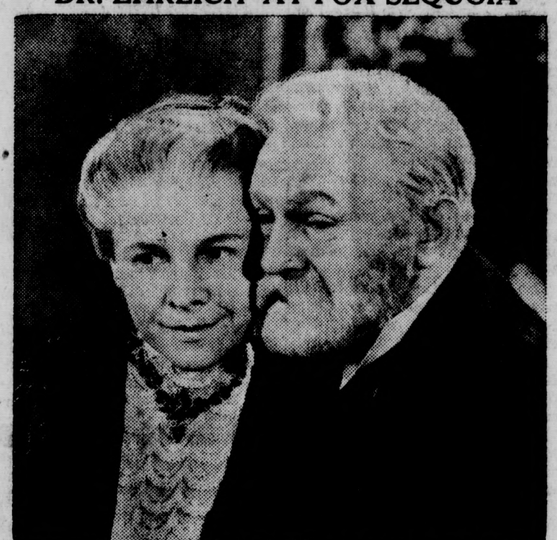
W. Earl Whitaker, principal of Central School in Redwood City, was adjudged best of four speakers Monday when Toastmasters from Redwood City and Burlingame met in the First Methodist Church in Redwood City for a district finals in the current oratorical contest.

Whitaker, who talked on "As the Twig Is Bent," discussing influence of the home on youngsters, will represent San Mateo County in the Toastmasters' district contest to be held early in May in San Jose.

Placing second in last night's contest was William Brown, Burlingame school principal, who represented the club from that city. His subject was "Ready or Not." Other speakers were Louis B. Dematteis, Redwood City, who spoke on "Let Us Remember," and Harold Prescott, Burlingame, who discussed "Arms Control."

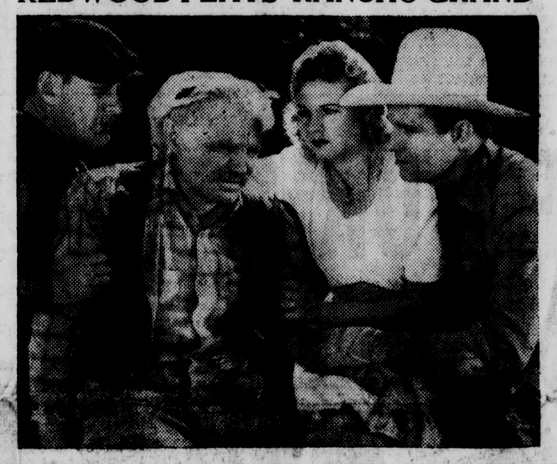
The book of Isaiah contains more material than that dealing directly with the prophet himself. A series of editors of later date added to it.

'DR. EHRLICH' AT FOX SEQUOIA



Edward G. Robinson's great characterization of "Dr. Ehrlich," as he appears on the screen of the Fox Sequoia Theater tonight and tomorrow. "The Farmer's Daughter" will also be screened on this program.

REDWOOD PLAYS 'RANCHO GRAND'



A scene from Gene Autry's latest picture, "Rancho Grande," now playing at the Redwood Theater on a dual bill with "Double Alibi."

Roses may be planted any time during November. The plants will remain dormant in winter and will bloom in the spring.

The American woman averages 63 hours weekly doing her housework. The Belgian housewife spends from 108 to 119 hours working in the home.

Rezoning Plan Wins Approval

With approval voiced by several nearby residents—and no protests offered—rezoning of the Arguello-Marshall St. corner for business was approved by the Redwood City Planning Commission Monday, and the change will be recommended to the city council.

W. G. Bray of San Francisco, owner of the property, asked the rezoning in order to develop the area as business property. At present, the Il Trovatore Hotel is located on the site, but the area is only zoned for residential area, the hotel having been built before zoning laws were enacted here.

The commission also recommended division of a lot on James Ave. near Nevada into two building lots, and set Apr. 8 as a date for public hearing of a proposal to change from 17 to 7 feet the setback lines on El Camino Real between Broadway and James Ave., as requested by the State Highway Commission.

NEW YEAST DEVELOPED

Maca Yeast, a new, fast, granular yeast for home-baking, which softens quickly in lukewarm water and is then ready for immediate use, cuts down the time required for bread-making and eliminates much of the bother necessary with old fashioned types of dry yeasts. It begins its action soon after it is mixed in a sponge or dough, thus eliminating any necessity of setting a sponge hours beforehand.

Thomas J. Jameson, brother of Dr. Moroni Jameson, charged with burglarizing a San Carlos lumber yard, pleaded guilty and asked probation. Continued two weeks.

Labor Head Named Trustee of College

SAN MATEO, Mar. 27—Richard T. McAllister, president of the San Mateo Labor Council, today was appointed to the San Mateo Junior College Board of Trustees to complete the term of Mrs. L. G. Owen, resigned. The term ends June 30. McAllister's appointment by Miss Pansy Jewett Abbott, county superintendent of schools, ended a year-long stalemate between Miss Abbott and the board over succession of the trustee.

The present patent system in the United States was established July 4, 1836.

PET SHOP OWNER FINED

SAN MATEO, Mar. 26—Peter A. Sarg Jr., pet shop owner, was fined $50 today on drunk driving charges. Sarg was arrested recently when his car nearly hit a patrol car from Palo Alto which was transporting several officers to a police school here.

The United States leads the civilized world in homicides. The only country approaching ours in this matter is Finland.

Atherton, Woodside Properties Are Sold

Two deeds transfering $28,000 worth of property were filed with County Recorder T. Clark Rice here. The first showed a change in ownership from Russell R. and Frances W. Vought to Joseph and Marjorie Blumenfeld of an $18,000 parcel of property bordering Woodside Rd. near the Menlo Country Club, and the second granted to George D. and Florence I. Pettigrew from Andrew P. and Jeanne J. Girerd one and one-half acres at Atherton Ave. and Austin., Atherton, worth $10,000.

Peninsula Firms Lose Telephones

Six Peninsula business houses have lost their telephone service as the result of action taken by the state attorney general following the asserted discovery that they were allegedly operating as bookmaking agencies.

They are Thurlow's Smoke Shop and Foley's Restaurant in Palo Alto; Gus Bayle, Willow Rd. and Donahue St., North Palo Alto; Bert's Place, Atherton; Oak Grove Villa Hotel, Menlo Park, and the Cottage Inn, Millbrae.

Removal of the telephones was resorted to as a means of preventing bookmaking, a deputy of Atty. Gen. Earl Warren said.

Christmas is variously celebrated in North Carolina. In addition to the conventional date, the day is, in some communities, observed on January 5, 6 or 7.

MENLO PARK NEWS NOTES

OBSERVE LAST RITES

MENLO PARK, Mar. 28—Tuesday morning the remains of Joseph B. Lynch, who passed away in Reno last week, arrived at Palo Alto, and were met by a large number of relatives and friends and escorted to Holy Cross Cemetery for interment. Mr. Lynch was born in Menlo Park 61 years ago. He was the son of the late Mr. and Mrs. Michael Lynch. For 28 years the deceased had been superintendent of the grounds and purchasing for the University of Nevada. Under his management, the campus became the most attractive garden spot in the state. Mr. Lynch learned landscaping and gardening from his father, who was the first grower to market Peninsula flowers in San Francisco, building up the vast business. The deceased was esteemed highly by the faculty and students of the university and by the people of Reno. He is survived by his wife, the former Rena Roach.

The city election on Apr. 9 is warming up and some campaigning is going on. May the best man or woman win.

A big local real estate deal of Menlo Park property is about consummated. The news of the transaction will be a surprise.

Mayor and Mrs. James E. Cooper are in Los Angeles. The mayor expects to put over a big real estate deal while there.

The rainfall for the present storm has been .76 of an inch, making a total for the season of 19.62 inches. This is the highest mark in 20 years, when it was 20.68 inches.

There are three candidates for one place on the Menlo Park Fire Department boad, the election for which will take place next Monday. The aspirants are H. J. Jepsen, incumbent, J. A. Sullivan and C. J. Weltner, a Palo Alto merchant. It will be quite a contest as all sections of the vast fire district are represented in the election.

Just think of it! The Southern Pacific Co. is putting a new roof on the station building, erected in the 'sixties. The people were promised a new structure 30 years ago, but all they will get is a roof. Perhaps that's all the company can afford now.

Mrs. Wales, widow of the late Major Wales, who has made her home in recent years with Mrs. J. B. Howell, her only daughter, who lives in Atherton, was buried last Monday. When her husband was stationed at Washington, D. C., Mrs. Wales entertained extensively and was a popular hostess at the capital. She came from the wealthy Thornton family of Colorado.

L. E. Harris, editor of the Recorder, and wife left Saturday for a motor trip to Kansas City. In his absence the paper will be in the charge of Mr. Harris' son-in-law of San Jose.

Mr. and Mrs. J. Schmid called at the W. H. Weeden home Sunday. They are residents of Tracy and were visiting their relatives over the weekend.

Sons of the local squadron of the American Legion will hold a potluck supper in Legion Hall tonight at 7 o'clock. Bob Whitney is chairman. Following supper, a class will be initiated.

Deaconess Margaret of St. Allan's Mission, Yerington, Nev., Tuesday called on her cousin, William H. Weeden, who has been seriously ill at his home. Deaconess Margaret was making a hurried business trip to Pacific Grove and did not have time to call on her numerous friends in Menlo Park.

Final Report Due on Friday

Final report of the 1940 grand jury, following a wind-up conference this week at the county courthouse, will be presented at 10 a.m. Friday in the superior court of Judge Maxwell McNutt, Foreman Ray Higgins said today.

Particulars of yesterday's discussion were not disclosed, although it was hinted that the jury will recommend the abolition of the Half Moon Bay Sanitary District on the grounds that the district has been inactive.

Judge McNutt returned yesterday from Houston, Tex., where he was re-elected president of the Rodeo Association of America at the organization's annual national convention.

LEGAL

Sylvain Dewey Leipsic, Atty.
ORDER TO SHOW CAUSE ON APPLICATION FOR CHANGE OF NAME OF INDIVIDUAL.
No. 31101—Dept. No. 2

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Application of ERNST TUKATSCH for Change of name.

WHEREAS, ERNST TUKATSCH has filed his petition with the clerk of this court for permission to change his name from ERNST TUKATSCH to ERNST FRANZ TURNER;

NOW, THEREFORE, it is hereby ordered that all persons interested in the matter aforesaid appear at Department No. 2 of the said superior court at the courthouse in the City of Redwood City, County of San Mateo, State of California, on the 22nd day of April, 1940, at the hour of 10:00 o'clock a.m. of said day, and then and there show cause, if any they may have, why the said application for change of name should not be granted.

It is further ordered that a copy of this order to show cause be published in Peninsula Beacon, of San Mateo County, California, for four successive weeks next preceding the date set for the hearing thereof.

Dated: March 16, 1940.

A. R. COTTON,
Judge of the Superior Court.

Fire in Creamery Does $50 Damage

Damage estimated by Fire Chief Mark E. Ryan at $50 was caused by a fire in a refrigeration unit under the counter of the Robin Hood Creamery at 2219 Broadway, next to Sequoia Theater, shortly after 6 a.m. Sunday.

Investigation revealed that the automatic shut-off apparently had failed to operate, and the electric motor became overheated. The fire was discovered by a city employe, who sent in an alarm from a box at Broadway and Middlefield Rd. Firemen were forced to break a pane of glass in the door to gain entry.

P.G.&E. Shows Business Gain

The annual report of the Pacific Gas and Electric Co., now being mailed to stockholders, shows that in 1939 the company sold 12.8% more electricity and 11.94% more gas than in 1938. Because of rate reductions and greater consumption at lower unit prices, these percentage gains in the quantity of electricity and gas sold were more than double the relative increase of 5.67 per cent in gross revenues.

The sharp upturn in sales volume was to some extent a reflection of the nation-wide improvement in general business conditions. In addition, sales were temporarily stimulated by the Golden Gate International Exposition and by an unusually large consumption of power for irrigation pumping induced by the deficient water supply.

Progress of a more permanent character is evidenced by the fact that the number of new customers connected during the year, upwards of 58,000, was among the largest in the company's history. At the close of the year there were 1,543,712 active meters in service.

The cost of operating the properties, including provision for taxes, depreciation and other reserves, increased 4.64%. Taxes of all kinds chargeable against the year's operations amounted to $18,049,000, and constituted the largest single item of expense, exceeding by about three-quarters of a million dollars the wages and salaries of the entire operating personnel.

Measured in terms of the return paid to security holders, taxes were more than one and one-half times the annual interest on all outstanding bonds; more than twice the dividends on preferred stock; and almost one and one-half times dividends paid on common stock. Based on the number of meters in service, taxes have increased from an average of $1.37 per meter in 1908 to $3.74 per meter in 1918, $6.39 in 1928 and $11.69 in 1939.

The earnings available for the common stock amounted to $2.84 per share on 6,261,270 shares outstanding at December 31, 1939, compared with $2.47 per share upon the same number of shares at the close of the preceding year. Dividends at the rate of $2.00 per share were paid in both years.

Topics Listed For Discussion

SAN CARLOS, Mar. 26—"The Federation of Clubs" was chosen last night as the name of the new organization formed here and formerly known as the Co-ordinating Council.

Governing rules were presented by William Penaat after the meeting was opened by Arthur N. Gamble, president of the Community Club and of the Chamber of Commerce.

Officers will be nominated and elected at the next meeting Apr. 22, it was decided by the 21 citizens present.

Subjects to be under discussion at future meetings will include water rates. a recreation commission, tree planting on parkways, speeding on city streets, dedication of the new park and playgrounds, chairs for the city hall, and a master calendar of club meetings and affairs.

Committees Named By County Employes

County Planning Commissioner Ronald Campbell Monday showed motion pictures which he took of planned highways and recreation areas in the Middle West and East to members of the San Mateo County Employes Association in the supervisors' chambers in Redwood City.

Max J. Leonard, county agricultural commissioner and association president, announced the appointment of the following committees:

A. F. Smith, Iva Johnson, auditing; Ronald Campbell, Mona Christensen, Bert Werder, Bruce Martin and William Schade, program; Mark Larwood, by-laws; Ann Bullivant, J. J. McGarry, finance; John J. Garland, Mura Stilleson, T. Bloomquist, Clara Dills, J. T. Pierce, Iva Johnson, William Spangle, civil service study; Barney Larrecou, Thomas Wiedeman, Louis Lodi, Ellamay Abbenseth, ways and means, and E. J. Halcrow, Anona Sills, Mary Molison, publicity.

Further plans for a theater party at Half Moon Bay, at which Supervisor Alvin S. Hatch will be host, were discussed.

Civil Service Support Asked By City Aides

Recommendation to voters that they favor the civil service and retirement system proposals for city employes at the Apr. 9 election and plans for a campaign in support of the proposals were made Monday by city employes in a meeting at the city hall.

LEGION RECOMMENDS IDEA OF MERIT SYSTEM

Redwood City Post 105, American Legion, Monday went on record approving the general idea of a merit system and retirement plan for city employes, and recommended that study be given to the issues before the voters on Apr. 9. The post did not specifically indorse the questions on the ballot, pending the receipt of fuller information on the subjects, it was explained.

By means of competitive examinations both for original hiring and promotion, the standards of ability of the average city employe would be appreciably raised, the employes believe. This view was expressed by Police Sgt. W. H. Thorpe, chairman of the employes' committee which has been conferring for several weeks with city councilmen on the merit system and retirement proposals.

The two proposals have been placed on the ballot in order to ascertain the attitude of the voters toward the installation of such systems. If opinion is favorable the council will institute both by ordinance.

EXAMINATIONS PLANNED

"New persons coming into city employ would have to pass competitive examinations," Thorpe said. "This would result in a better type of employe. The present system of hiring places no restrictions on the qualifications of candidates for jobs, whereas the new system would set a minimum standard of ability.

"Not only that, but employes once hired need have no fear of changes in administration. All they would have to be concerned with would be dispatching their work efficiently. There have been no complaints of political pressure on employes for many years, but under the present setup such activity is possible. The civil service system would eliminate that possibility.

"Promotional examinations among employes would tend to make employes more careful about their standards of work, since influence or partiality by hiring officials would never enter the picture. Promotion would be based entirely upon how well an employe does his work and how familiar he is with the work of the position he seeks."

RETIREMENT PROPOSAL

Thorpe pointed out that while the retirement system proposal might increase the tax rate to a certain extent, it also would eliminate aged employes among the city's personnel.

The chairman said that a rough preliminary estimate of costs to the city for installation of the system, provided every present employe wished to be included, places the figure at about $13,000 a year. However, longtime employes now working for the city would not be forced to contribute to the plan, since many would have to contribute large lump sums, and the more of the old employes who refuse to join the retirement fund, the smaller would be the cost to the city. Young employes would be automatically included in the fund.

The employes would contribute approximately as much as the city to the retirement fund. Public employes are not governed under the Federal Social Security Act, Thorpe pointed out, and the employes' committee believes such workers are entitled to security in old age.

The employes plan to conduct a campaign to familiarize voters with complete details of the plan, in order to present the entire picture, Thorpe said. Full explanation of both civil service and retirement proposals will be sent also with sample ballots.

YEAST IN DATED PACKAGES

In order to insure freshness, each package of new, fast, granular, Maca Yeast, lately placed on the market, is dated. Although any yeast will deteriorate with age, scientifically dried yeast, deprived of moisture, is extra resistant to spoilage.

If you want to keep it a secret, don't put it in the Want Ads.

Bowl Attracts About 4000

Joining countless thousands of other peace-loving people in a peaceful country, Peninsulans in record numbers paid homage to a Prince of Peace Sunday when Easter services were held in all Christian churches and in the natural amphitheater atop Emerald Peak southwest of Redwood City.

The sun failed to shine, and rain fell for a time in the afternoon after fog and clouds had hidden the blue of the sky during the morning. But the Easter spirit was undampened despite the fact some of the Easter finery became slightly soiled when the mild storm greeted some of the church-goers as they emerged from morning services.

The day of the Resurrection of Christ found Redwood City in particular appearing to be extremely reverent. Churches were jammed, some of them reporting the largest crowds ever to attend services on the greatest church day of the year.

It was the same at the Easter Sunrise Services in Emerald Lake Bowl.

Never in the memory of those who have attended the early morning rites year after year have so many people made the trek to the picturesque setting. Perhaps it was because the services were later in the day this year, and it was warm; perhaps it was because the wars across the seas made people more grateful to a Prince of Peace. But the fact was that the crowd was the largest at the bowl at least in many years, if not in all the 14 years sunrise services have been held at the base of the 80-foot lighted cross.

Police reported 721 automobiles were parked at the site. Yet despite the fact there were so many out, the only mishaps reported were the stalling of three machines in parking places that had not completely dried out after the last rain. A tow car was on hand, however, to give quick relief. An ambulance held in readiness by Franklin & Crowe was not needed.

The 1939 commercial apple crop will approximate 100,284,000 bushels, nearly 18,000,000 bushels above 1938, according to the U. S. Department of Agriculture.

New Ad Series Of Wide Appeal

Interesting photographic "shots" of active growing children in their day-to-day activities highlight a new series of advertisements for Honey Maid Graham Crackers now appearing in the Redwood City Tribune.

It wasn't difficult for the photographer to find his willing subjects, ranging in age from 6 to 14, inasmuch as the enthusiasm for quality graham crackers is universal among energetic boys and girls. Their mothers, too, approve of the desire for wholesome food of this kind. A favorite way is to serve graham crackers with milk, peanut butter, jams and jellies.

Local grocers are co-operating in the ad campaign by featuring displays of Money Maids in their stores.

Following are some suggested recipes:

GRAHAM CHEESE MUFFINS

16 Honey Maid Graham Crackers
1 tablespoon sugar
¼ teaspoon salt
1 tablespoon butter, melted
½ cup milk
1 egg
3 oz. soft package cheese, grated
2 teaspoons baking powder

Crumble crackers, add sugar, salt and melted butter. Heat milk and pour over cracker mixture. Add beaten egg, grated cheese and baking powder. Bake in greased muffin pans in a hot oven (425°) 20-25 minutes. 12 small muffins.

Another grand hot bread for breakfast, luncheon, or mid-day meals is Graham Banana Bread. You'll have family and friends guessing about its flavor, but they'll have many compliments for you!

GRAHAM BANANA BREAD

13 Honey Maid Graham Crackers
2 tablespoons sugar
½ teaspoon salt
2 tablespoons butter, melted
1 teaspoon ginger
1 tablespoon peanut butter
2 teaspoons baking powder
½ cup hot milk
1 egg
2 bananas, diced

Combine finely rolled crackers with all ingredients except bananas. Fold in finely diced bananas. Spread in a butter biscuit pan and bake in a moderate oven (400°) 20-25 minutes. Serve warm cut in squares. Six servings.

IMPROVEMENTS APPROVED

MENLO PARK, Mar. 26—The proposed $220,000 street paving program, which would require WPA aid, and the projected subway under El Camino Real were approved last night by the planning commission and referred to the city council for consideration tonight.

FOUR OF A KIND

Beginning Sunday, Southern Pacific will have four Daylight streamliners in service between San Francisco and Los Angeles—two traveling north and two south each day over the coast route, as announced by H. A. McNair, local agent. The Noon Daylights are to be inaugurated to supplement the Morning Daylights, and the famous streamliners will have the fastest schedules ever established for the run.

QUICK-ACTING YEAST

Claimed to be the only pure, whole yeast for baking on the market, Maca Yeast a new, fast, granular yeast, combines the quick action of a moist yeast with the storage convenience of a dry yeast. Although a fast-worker, this new product also requires no refrigeration and a supply for several bakings will keep on the pantry shelf.

Chinese Food Recommended

Put aside that worry as to what to serve tonight. Try this suggestion if the same old things keep popping up in your mind. Chop Suey is loved by all appetites, young, old, jaded, ravenous. And well this may be, for they say we like the things our bodies need.

In Chop Suey or Chow Mein you will find domestic Chinese vegetables combined in a most appetizing and beneficial form; wholesome meat or seafood mixed enticingly with wholesome delicacies. These dishes are low in calories and therefore not particularly fattening, but essential vitamins are present in energy-building quantities. Dietetic authorities say these well-balanced foods supply needed vitamins, minerals and carbohydrates—and, of course, everybody knows Chop Suey is notoriously easy to digest.

Best of all, Chop Suey or Chow Mein may be easily and quickly prepared at home. The genuine LaChoy ingredients assure the flavor and texture common to genuine Chinese dishes. Your grocer has the prepared and ready-to-heat and eat LaChoy Chop Suey and Chow Mein Noodles. Or you can make your own Chop Suey or Chow Mein with either LaChoy Sprouts or LaChoy Mixed Vegetables. The recipes on the cans mention fresh meats, but you can, of course, substitute leftovers. Season with LaChoy Soy Sauce for the final touch of goodness. Follow this good recipe and you will hear cheers from all the folks tonight.

United States bean production decreased this year by almost 2,000,000 bags.

RINSING RUGS

Here is an easy way to rinse small rugs after they have been shampooed: Hang them outdoors over a clothes line and rinse with a hose until the water comes clear. Complete rinsing is essential. Let the rugs dry on a clothes line or a flat surface.

Diophantus wrote 13 books on algebra in the fourth century.

QUICK ICING

For a hurry-up cake frosting, mix equal parts of cocoanut, chopped dates and nuts. Sprinkle over the cake (or cookies) during the last 5 minutes of the baking. They then come out already frosted when baked.

In the middle ages abduction of women was regarded as gallantry rather than crime.

The Soviet Ukraine produces more than half of Russia's coal, half its salt, three-fifths its pig iron, half its steel, two-thirds its agricultural machinery and two-thirds its sugar.

Court Madrone Team Initiates for Colma

Court Madrone's degree team visited the Foresters Lodge in Colma Tuesday upon the occasion of the visit of several grand officers: Sub Chief Ranger Leon Joseph, Secty. Frank Zelich, Senior Beadle Irving Gamberg, Trustee Sid Bernstein and Recording Secty. George L. Solari. Nine men were initiated into Court Colma.

Making the trip from Redwood City were Joseph T. and John P. Clarkson, Robert and George Clarkson, Frank Goldthwaite, Ed Van Buskirk, A. P. Jordan, Ray Schrader, Jerome F. Macdonald, Gerald Brown, Jack Crane and Charles Balestrieo.

Thomas Mann, the German author, started life as an insurance broker.
